

## **REQUEST FOR PROPOSAL**

### **THRIIVE PHASE 2017**

#### **INTEREST FREE AND SOCIALLY RESPONSIBLE THRIIVECAPITAL**

**Deadline for Application: 15/09/2017**

Thrive a program of Excellent Operations Consultants in conjunction with Thrive USA supports small and growing businesses and promotes the culture of social responsibility by providing capital for the purchase of production equipment to viable Micro, Small and Medium Enterprises. The purpose of the loan is to help the enterprises grow, create employment and steer social change through meaningful charity that benefits communities where businesses operate. Thrive capital is an interest free loan to purchase critically needed capital equipment to be paid forward through donations of products/ services or skills training to those in need. 10% of the loan is repaid in cash. Thrive is inviting Proposals from Small and Medium Enterprises from Nairobi and its environments for Phase 2017 capital loans.

Those interested should download application forms on our website [www.eoc.co.ke](http://www.eoc.co.ke) . Only shortlisted applicants will be invited to participate in the interview and business visits process of the selection stages. Duly completed applications should be received by close of business on SEPTEMBER 15<sup>th</sup> 2017 enclosed and addressed to:
